

THE MOST TRUSTED NAME IN AUTOMOTIVE LEAK DETECTION

NEW

A/C LEAK SEALANT LF200CS

\$19.95

COMPATIBLE

with all popular refrigerants, including R-1234yf.

SYSTEM SAFE & EASY TO USE

Safely remains in A/C systems. Does not affect refrigerant RRR equipment. Non-hardening sealant formula.

PERMANENTLY SEALS LEAKS

in accumulator/receivers, evaporators, condensers, o-rings, & hoses.

HYBRID/EV COMPATIBLE

Safe to use in electrically driven A/C compressors.

Note: A/C system must contain enough refrigerant to operate the compressor and circulate the LeakFinder A/C Leak Sealant in order to seal leaks.

PART# LF016

\$179.95

BigEZ™ UNIVERSAL A/C LEAK DETECTION KIT

- Metal dye injector included
- Leak detection flashlight and glasses
- Ideal for high-volume shops
- **Service for 64 vehicles**

PART# TP2210CS

\$49.95

OEM-GRADE COOL SEAL™ SYRINGE INJECTOR KIT

- Includes prefilled, disposable syringe, and R-134a hose/coupler
- Seals leaks in condensers, evaporators, accumulators, o-rings and hoses
- TP9831 R-1234yf adapter (sold separately)
- **Services 1 vehicle**

PART# TP2211CS

\$34.95

OEM-GRADE COOL SEAL™ PREFILLED SYRINGE

- Perfect for preventive maintenance
- Non-polymer, oil-soluble formula is safe for A/C system components
- TP9831 R-1234yf adapter (sold separately)
- **Services 1 vehicle**

PART# LF1800

\$49.95

BigEZ™ UNIVERSAL A/C DYE

- 8 oz (237 ml) BigEZ™ universal multi-dose A/C dye cartridge
- Cartridge fits most caulking guns
- **Services 64 vehicles**

PART# LF60CS

\$39.95

R-1234YF ADAPTER

- Connects R-134a hoses to R-1234yf low-side service port
- For use with A/C Dye and Oil only
